Declaring a Double Major

Interested in pursuing a double major? Read on to see how you can declare a double major!

Double Majors
Students in good academic standing may petition to declare a double major consisting of departmental majors from two departments in the College of Letters and Science, provided it can be done within 216 units and time-to-degree. You can petition to declare a double major after you have completed the following requirements:

• All prerequisites for both majors
• 2 upper division courses in both majors

Double Major Restrictions
With a few exceptions, double majors within the same department are not allowed. Students must designate one of the two majors as their primary major. No more than 20 upper division units may be common to both majors. If you choose to double major in a department in the College of Letters and Science and in another school, then your primary major must be the non-College of Letters and Science major.

How to Petition for a Double Major
Step I: To declare a double major, you need to submit 3 petitions: Undergraduate Program Change Petition (yellow), Double Major Petition (purple), and a Degree Plan Contract (orange). You can obtain a copy of these petitions from your College Counseling Unit or any ASK station.

Step II: Ask the department counselor from each major to complete the following steps:

• Review your Degree Audit Report (DAR) with you to review all major requirements.
• Complete and sign/date the Undergraduate Program Change Petition.
• Complete and sign/date sections 3-5 of the Double Major Petition by noting any substitutions or waivers of major requirements that have been approved but are not accurately reflected on your DAR, and indicating any course overlaps between majors.
• On the Degree Plan Contract: Initial next to the courses that satisfy major requirements, and sign/date the petition.

Step III: If you will exceed the 216 unit maximum and/or your time-to-degree, you must submit a Blue Petition along with your double major petitions and address your academic reasoning for requesting additional units/time.

Step IV: Submit the following to your counseling unit: Program Change Petition (yellow), Double Major Petition (purple), Degree Plan Contract (orange), and Blue Petition (if you are exceeding the 216 unit maximum or time-to-degree).

Step V: Check the status of your petition on MyUCLA > Academics > Petitions.
