What’s happening Week 2?

**Career Advising Pop-ups**
Need help reviewing your resume or cover letter? Interested in gaining job and internship search strategies? Come by a Career Advising Pop-Up this quarter! The Career Center is hosting Career Advising Pop-ups on Mondays from 12pm-2pm at different locations during weeks 3-8 (except for week 7) where there will be at least one Career Counselor available to help you review your resume and cover letter, learn more about the Career Center’s services, and gain job or internship search techniques. You must bring a printed copy of your resume or cover letter if you would like to get it reviewed. The next Career Advising Pop-up will take place on Monday, January 14th from 12pm-2pm at the Academic Advancement Program (AAP) in Campbell Hall Room 1228.

**Student Research Program/SRP-99 Workshops**
Are you interested in getting into STEM research? Are you unsure of how to find a research project or a lab to join? Do you want to earn academic credit for the time you spend in lab, and other funding opportunities once a research project is secured. There will be an SRP-99 workshop offered on Monday, January 14th from 5pm-6pm in the Life Sciences Building Room 2320. Another SRP-99 workshop will be offered on Tuesday, January 15th from 5pm-6pm in Boyer Hall Room 130. The Winter 2019 SRP-99 contract deadline is Friday, January 18th at 5pm. For more information about SRP visit http://www.ugresearchsci.ucla.edu/. For a complete list of winter 2019 SRP-99 workshop dates, visit http://www.ugresearchsci.ucla.edu/srpdates.htm.

**Bon Voyage! Inside Careers Abroad**
Interested in working abroad? Come learn about opportunities around the world in language teaching, humanitarian work, and much more at Bon Voyage! Inside Careers Abroad! Students will hear from professionals in a variety of roles on their career trajectories and the educational and experiential requirements for their roles. For a list of panelists and to RSVP please visit https://humanities.ucla.edu/career/hcps/events/work-abroad-panel-w19/. This event will take place on Thursday, January 17th from 4pm-5pm at the UCLA Career Center Conference Room A/B.

---

Academic and Tutoring Resources

Are you in a challenging class? Are you interested in supplementing your classes with tutoring or peer learning sessions? Look no further because CAC has a list of tutoring and academic resources so that you can make the most of your academic experience!

Undergraduate Student Writing Center
The Undergraduate Student Writing Center is available for students to get help with paper assignments through individualized consultations at any point in the writing process. Peer Learning Facilitators (PLFs) will help you discover, explore, and expand your ideas and suggest different strategies. For more information, visit https://wp.ucla.edu/wc/.

Student Math Center
The Student Math Center offers group study and tutorials for lower division math courses. The Center additionally offers help for specific math courses every hour, but students can also drop by for help with any lower division math course. For more information, visit www.math.ucla.edu/ugrad/smc.

Student Retention Center Test Bank
Students can access old graded quizzes, exams, and essays for UCLA courses that students who previously took the course submit to the SRC Test Bank. Most courses do have old files but some do not, as departments may restrict their access. To gain access to exam files, you must share an old graded quiz, exam, or essay from a class that you took at UCLA. Students in their first quarter at UCLA will be granted access for their first registered quarter without needing to submit a graded quiz, exam, or essay. You must schedule a same-day, five-minute appointment at the Students Activities Center, Suite 105 to access the files. To learn more about the test bank, visit www.cpo.ucla.edu/src.

Writing Success Program (WSP)
WSP offers 1-on-1 writing and creativity counseling appointments. WSP prefers to work with students who are at the beginning of their writing process for a particular paper. WSP does not provide proofreading services. Daily drop-in hours for WSP are available at the Student Activities Center in Suite 105. For more information, visit www.cpo.ucla.edu/src/writing-success-program/.

Chemistry Tutors
For students who desire 1-on-1 tutoring for Chemistry, the undergraduate office compiles a list of graduate students who are willing to tutor college students. The list includes their contact information and the specific subjects they would be willing to teach. These tutoring services are not free and the tutor will set his/her own rates. Please contact graduate students on this list individually for tutoring costs and availability. Quarterly tutoring lists can be located at 4006 Young Hall or on the Chemistry and Biochemistry webpage at https://www.chemistry.ucla.edu/student-resources.

CONDUITS
Are you looking for hidden campus gems to enhance your time at UCLA? Look no further! Every week Conduits will feature a campus resource, selected by our very own ASK Peer Counselors, that will help you maximize your academic and social experience at UCLA.

Interested in developing or improving your leadership skills? If you are, then try out the Bruin Leaders Project! Bruin Leaders Project (BLP) is UCLA’s nationally renowned campus-sponsored leadership development program that is open to all UCLA undergraduate and graduate students. BLP offers hands-on seminars that cover a wide range of topics ranging from public speaking to conflict resolution and diversity to communication skills. Anyone and everyone can be a leader! BLP typically offers seminars on Tuesdays and Fridays. You can choose to attend any of the seminars they offer! You can also earn academic credit by participating in the Bruin Leaders Project. For more information, visit https://www.bruinleaders.ucla.edu/.
