First Year Experience (FYE) will be hosting a First-Gen Class Toast on Saturday, May 30th from 3-3:15 pm (PST). This toast is open to all graduating students, both undergraduate and graduate. A video montage is being created with submitted photos to celebrate all UCLA First-gen students graduating this year. Additionally, an Honor Roll listing is also being created as part of the video to celebrate your graduation and status as a new First-Gen alumni. CONDUITS

Are you looking for hidden campus gems to enhance your time at UCLA? Look no further! Every week Conduits will feature a campus resource, selected by our very own ASK Peer Counselors, that will help you maximize your academic and social experience at UCLA.

If you are looking for more academic and personal support during these difficult times, the Student Retention Center (SRC) houses six student-initiated and student-run projects that strive to help students thrive at, and graduate from, UCLA. These programs include the Academic Supports Program, MEChA Calmecac, Retention of American Indians Now!, Samahang Pilipino Education and Retention, Southeast Asian Campus Learning Education and Retention, and the Writing Success Program. The SRC projects support students with their academic and personal goals through components like their Gender and Sexuality Counseling Wellness Program, peer counseling and mentorship, and mentorship, and internships.
