What’s happening Week 2?

“BruiNext: Pathways and Possibilities” - Student Mock Initiative
Interested in experiencing a live graduate school class in Business, Dentisty, Film, Law, Medicine, Nursing, or Public Policy? BruinX presents the Student Mock Class Initiative: “BruiNext: Pathways and Possibilities.” Our aim is to provide UCLA juniors an opportunity to get a real sense of the graduate school experience by participating in a class in one of the foregoing areas. Participants will receive a short reading assignment that will serve as a basis for the class. All classes will be followed by a reception in which representatives from various graduate programs will be on hand to answer questions about the graduate school application process and share other relevant resources. But above all, your participation is key. The event will be held on Thursday, January 16th from 5pm-7pm at the UCLA School of Law. To RSVP, click here!

UC Center Sacramento Info Session
Are you interested in government or public service? Apply to UC Center Sacramento! The UC Center Sacramento Internship Program is a one quarter program in Sacramento. Students do a policy related internship and take two classes at the UC Center on California policy and research. The program also incorporates professional development related to polishing a resume, crafting writing samples and interviewing techniques. The program is open to ALL majors and is ideal for any student interested in local and state government and public policy. There will be an information session on January 15th from 4-5PM at 2325 Murphy Hall for any student who is interested. For more information, click here!

Winter 2020 Entrepreneurship Minor Information Session
Interested in applying to the Minor in Entrepreneurship? The winter quarter application deadline is Friday, February 21, 2020. Prospective applicants should attend an Entrepreneurship Minor information session before submitting an application. Anyone interested in the minor is welcome to attend; RSVPs are not necessary. Because students are only afforded ONE opportunity to apply for the minor, it is important to attend an information session to learn when to apply and what makes a strong application. Attend the first two sessions on Tuesday, January 14th at 5pm in 203 Covel Commons and Wednesday, January 15th at 3:30pm in Bunche 2265. For more information and session dates, click here!
